Woodmere Traffic Islands Mowing

Provide weekly mowing of the four Woodmere traffic islands located between Boon and Premier streets. The sites are irrigated. Price is based on 24 cuts per season. The Per Cut price will be use to add or deduct the cost of the work due to weather.

Per Cut

Seasonal Bid

Woodmere Traffic Islands Landscape Maintenance

Provide seasonal landscape services to the Islands.
Perform a spring clean up, weed mulch beds, remove leaf and plant litter, rake turf areas and remove any general litter that accumulated over the winter.
Prune trees and shrubs, deadhead or cut back perennials as needed using landscape industry best practices.
Top dress mulch beds with similar material.
Apply fertilizer and crab grass preventer in the spring.
Apply fertilizer and weed control once in mid summer.
Provide for hand weeding of mulch beds. Perform weeding a total of four times, once each month of June, July, August and September.
Provide the Township a schedule of when services will be performed.
